How It Works

- Schedule your time at PodcastSolutionsNow.com/schedule
- We'll meet you in-studio to make sure everything is ready to go
- Use your hour to record your podcast episode(s).
- We'll put the audio files in a Google Drive folder for you to keep as your own
- For video, we'll give you the files on a hard drive that you provide
- If you need production services, we offer that too!
