## AUDIO & VIDEO Podcast Production

Member  
Price

**\$159**  
per episode

- ▶ **Audio podcast episode production**, MP3 file delivered
  - We clean up the audio, add equalization, compression, reduce background noise, remove filler words (umms, uhhs).
- ▶ **Video podcast episode production**, MP4 file delivered.
  - We sync edited audio to your video, add the intro and outro graphics, and share via Google Drive, or upload to your YouTube channel.

\*Podcast hosting is an additional cost not included in our packages.

*Add-on*
